

ICICKM 2009

## 6<sup>th</sup> International Conference on Intellectual Capital, Knowledge Management & Organisational Learning

McGill University, Montreal, Canada

1-2 October 2009

**Conference Chair:** Kimiz Dalkir, McGill University, Montreal Canada

### Mini track - Call for Papers

**Mini Track:** Knowledge transfer/sharing in international settings

**Chair:** Dan Paulin, Chalmers University of Technology, Gothenburg, Sweden

In a world of global business, the need for effective knowledge sharing processes in international settings increases. In a global economic recession, the need to share knowledge with less face-to-face communication will be affected since international travelling will decrease. Companies will have to deal with this issue to be able to use the company resources that are spread all over the world. How is knowledge sharing managed? What enablers/disablers are there in knowledge sharing in international settings? How is the knowledge sharing process organized? How is knowledge sharing processes implemented in mergers or other forms of co-operation? This is an area of high industrial and practical relevance, but academics are of course also welcome to contribute to this track.

Contributions in (but not limited to) the following areas are welcomed:

- Knowledge transfer/sharing within multinational companies
- Organizing KM activities in multinational environments;
- Impact of national/company cultures on KM activities
- Knowledge transfer/sharing in international networks;
- Knowledge sharing enablers/disablers in international settings

Selected papers from the conference will be considered for publication in the Electronic Journal on e-Knowledge Management, <http://www.ejkm.com>

#### Submission details:

Abstract details: The Abstract should be a minimum of 300 and no more than 500 words including up to five keywords and keyphrases to be received by **12 March 2009**. Please read the abstract guidelines section of the website before submitting.

Submission: Online at <http://academic-conferences.org/icickm/icickm2009/icickm09-abstract-submission.htm>  
Please ensure that you complete all relevant sections of the form, including the conference track the abstract is intended for, the proposed title for the paper, the full names (first name and surname, not initials) and email addresses of all authors and a postal address and telephone number for at least one contact author. Please indicate clearly if the contact author is not the lead author.

Full paper: Only required when the abstract has been selected and not to be more than 5,000 words including abstract, keywords and references (the Harvard referencing rules need to be followed). Submission date will be no later than 30 April 2009. Papers should be submitted as .doc or .rtf file attachments by email to the Conference Manager, [Elaine Hayne](mailto:elaine.hayne@academic-conferences.org) at <mailto:elaine.hayne@academic-conferences.org>

The selection panel of the conference committee will consider all abstracts received by the submission deadline to ensure that the proposed paper is relevant to the Conference. The authors of abstracts that describe a relevant paper will receive a notification of abstract selection. All full papers will be double-blind reviewed by members of the conference committee to ensure an adequate standard, that the proposed subject of their abstract has been followed, that the paper is of a suitable length, the standard of English is adequate and the paper is appropriately referenced. For authors whose first language is not English we request that you have your work proofread preferably by a native English speaker prior to submission (or at least a fluent English speaker) – papers may be rejected due to a poor standard of English. Papers that are accepted will be published in the conference proceedings providing at least one author registers and presents the work at the Conference (see the registration section of the conference website for more information about registration).

Due to the large number of papers expected for this conference, the committee only allows an author to present one paper. Therefore if multiple papers are accepted for presentation different co-authors need to present each paper.

**Important dates:**

Abstract submission deadline:	<b>12 March 2009</b>
Notification of abstract acceptance:	<b>19 March 2009</b>
Full paper due for review:	<b>30 April 2009</b>
Notification of paper acceptance:	<b>9 July 2009</b>
Earlybird registration closes:	<b>23 July 2009</b>
Final paper due (with any changes):	<b>6 August 2009</b>
Final Author registration date:	<b>27 August 2009</b>

This call for papers and full details about the conference can be found online at:
