---

9<sup>th</sup> of September 2010

Dear Author

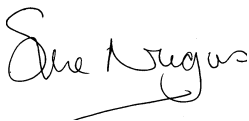

I am pleased to inform you that the abstract you submitted to the **6<sup>th</sup> International Conference on Information Warfare and Security** has been selected for submission as a paper. The latest date for submission of your full paper is **14<sup>th</sup> October 2010**.

Your paper will be double-blind peer reviewed by a member of the Conference Programme Committee. The reviewer will be looking to see that the paper is in line with the abstract originally submitted and that it meets the standards required for the conference.

I would be grateful if you would please sign the copyright permission slip below and return to us with your full paper. For your paper to be published in the Conference Proceedings it is necessary for us to receive this form and for you to agree that at least one author will register for the conference and present the paper. **Please note that the attendance at the conference of at least one author of the paper is a strict condition of acceptance.** There will be a special edition of the Journal of Information Warfare <http://www.jinfowar.com> and your paper will be put forward for consideration to be published here. If your paper is selected for the special conference issue we will use this copyright permission.

If you are no longer able to submit a paper to this conference please let me know as the number of suitable abstracts submitted has exceeded the number we can accept and if for any reason you now cannot come I would like to be able to offer an opportunity to another author.

Yours sincerely

Sue Nugus  
Conference Manager
