

ECIME 2010

4th European Conference on Information Management and Evaluation ISEGI, New University of Lisbon 9-10 September 2010

Conference Chair: Dr Maria do Rosário Fraga Oliveira Martins, ISEGI, Universidade Nova de Lisboa, Portugal.

Call for Papers, Posters, Round Table Proposals, Practitioner Contributions and Product Demonstrations

The European Conference on Information Management and Evaluation (ECIME) provides a forum for both researchers and practitioners to come together to develop their understanding of both theory and practice in all aspects of IT/IS management and evaluation. ECIME 2010 will provide opportunities for people working and researching in the field to come together both formally and informally to share their knowledge and expertise.

The advisory group for the conference invites submissions of papers, posters, round table proposals, practitioner contributions and product demonstrations on both the theory and practice of all aspects of IT/IS management and evaluation. The conference in September 2010 seeks quantitative, qualitative and experience-based papers from industry and academe. Topics may include, but are not limited to: **General topics; Evaluation topics; Management topics; Ethics and Philosophy topics.** You can find detailed topics and a full call for papers on the conference website at <http://academic-conferences.org/ecime/ecime2010/ecime10-call-papers.htm>

Publication opportunity

Papers accepted for the conference will be published in the conference proceedings, subject to author registration. The proceedings have an ISBN and are listed in the Thomson Index to Scientific and Technical Proceedings (ISTP), the Thomson Index to Scientific and Technical Proceedings (ISTP/ISI Proceedings), the Thomson Index to Social Sciences & Humanities Proceedings (ISSHP) and the Thomson Index to Social Sciences & Humanities Proceedings (ISSHP/ISI Proceedings). Selected papers from the conference will be considered for a special conference issue of the Electronic Journal of Information Systems Evaluation – <http://www.ejise.com>. The journal is listed on the International Bibliography of Social Sciences (IBSS).
