CALL FOR PAPERS

Mini track on Management, Leadership and Governance in Relation to Information Systems
Track chair:

The Conference offers an opportunity for scholars and practitioners interested in the issues related to Management, Leadership and Governance, to share their thinking and research findings. These fields of study are broadly described as including issues related to the management of the organisations' resources, the interface between senior management and the formal governance of the organisation,. This Conference provides a forum for discussion, collaboration and intellectual exchange for all those interested in any of these fields of research or practice.

The conference committee invites both academic and practitioners to submit papers to this mini track in a wide range of scholarly approaches including theoretical and empirical papers employing qualitative, quantitative and critical methods. Action research, case studies and research in progress are welcomed approaches. Possible topics include, but are not limited to:

The nature of IS governance; Interfacing IS governance with corporate governance; Sustainable IS leadership; Types of IS leadership and governance; Corporate politics in and around the IS function; The relationship between the CIO and the CEO; Critical success factors for a CIO; Measuring the performance of the CIO; Creating sustainable IS leadership; From the CIO to the CKO and/or CTO roles in the organization; Career development for IS leadership; Sustaining leadership in the changing world of IS; Bridging the stove pipe mind-set; IS technological leadership; Impact of non-IS executives on IT effectiveness; How the intensity of IS usage effects the CIO role; External market pressures on the CIO; Best practices in IS technological leadership; Justifying IT Investments at Boardroom level; Outsourcing the CIO; The influence of non-IS executive use of IT on a firm's performance; Influence of mergers and acquisitions on IT; Effect of the board of directors and shareholders on IT policy; Ethical dilemmas and IS; Corporate Governance practices and the role of chief Information Office.

Submission details:

Abstract details: The Abstract should be a minimum of 300 and no more than 500 words including up to five keywords and keyphrases to be received by **16 April 2009**. Please read the online guidelines at <http://academic-conferences.org/ecmlg/ecmlg2009/ecmlg09-author-guide.htm>

Submission: Via the online submission form at <http://academic-conferences.org/ecmlg/ecmlg2009/ecmlg09-abstract-submission.htm>
Please ensure that all required fields are completed. Abstracts must include the proposed title for the paper, the full names (first name and surname, not initials); postal addresses and email addresses of all authors and a telephone number for at least one contact author. Please indicate clearly if the contact author is not the lead author.

Full paper: Only required when the abstract has been selected and not to be more than 5,000 words including abstract, keywords and references (the Harvard referencing rules need to be followed). Submission date will be no later than **4 June 2009**. Papers should be submitted as .doc or .rtf file attachments by email to the conference manager, Elaine Hayne, at elaine.hayne@academic-conferences.org

Important information:

- The selection panel of the conference committee will consider all abstracts received by the submission deadline to ensure that the proposed paper is relevant to the Conference.

- The authors of abstracts that describe a relevant paper will receive a notification of abstract acceptance.
- All full papers will be double-blind reviewed by members of the conference committee to ensure an adequate standard, that the proposed subject of their abstract has been followed, that the paper is of a suitable length, the standard of English is adequate and the paper is appropriately referenced.
- For authors whose first language is not English we request that you have your work proof read prior to submission by a native English speaker (or at least a fluent English speaker). Papers can be rejected due to a poor standard of English.
- Papers that are accepted will be published in the conference proceedings providing at least one author registers and presents the work at the Conference (see the registration section of the conference website for more information about registration).
- Due to the large number of papers expected for this conference, the committee only allows an author to present one paper. Therefore if multiple papers are accepted for presentation different co-authors need to present each paper.
