**Conference Chair:** Victor Lee, School of Continuing and Professional Studies, The Chinese University of Hong Kong, Hong Kong, China

**Programme Chair:** Paul Lam, Centre for Learning Enhancement and Research, The Chinese University of Hong Kong, Hong Kong, China

**CALL FOR PAPERS, Case Studies, Work in Progress/Posters, PhD Research, Round Table Proposals, non-academic Contributions and Product Demonstrations**

**Mini Track: Application of e-Learning in Science & Mathematics Education**

**Mini Track Chair:** Mr. Chee-Keong Chong, Universiti Tunku Abdul Rahman (UTAR) Malaysia

Many students and teachers consider Science & Mathematics as difficult subjects in school and there a number of ways and means to overcome these difficulties. For some time now there have been a range of teaching and learning aids, including computer programmes available. However, now, in the 21st century, e-Learning can be considered as an effective solution to this problem. This mini track seeks to explore how e-Learning solutions can be used as an effective tool to overcome teaching & learning difficulties in Science & Mathematics. Papers are welcome on all aspects of e-Learning in mathematics and science.

Topics of interest for this mini track include but are not limited too:

- E-learning in Mathematics education
- Simulations in Science & Mathematics teaching & learning
- Virtual lab for teaching & learning Science
- E-learning in Science education
- Visualization in Science & Mathematics teaching & learning
- Assessment of Science & Mathematics using e-learning solution

As well as full **academic papers**, the following submissions are also welcomed:

**Research in Progress:** Researchers may submit current projects whilst they are still in progress

**Case Study Submissions:** Submissions should be written to publishable standards.

**Poster Submissions:** Welcomed in any of the areas identified in the Call for Papers.

This call for papers and full details of the conference can also be found online at

<http://academic-conferences.org/icel/icel2012/icel12-call-papers.htm>

**Round Table Proposals:** Topical subjects proposed for discussion.

**Practitioner Contributions:** Contributions, either presentations or demonstrations, from individuals and organisations working in the field. Presentation submissions should follow the abstract submission process. For product demonstrations, please submit a proposal of 200-300 words describing the product you would like to demonstrate and the audience it serves. Proposals should be sent as an email attachment to [Sue Nugus](mailto:Sue.Nugus@academic-conferences.org) not later than **20 January 2012**. Demonstrations themselves are expected to be approximately 15 minutes in length. At least one person must register for the conference to give the presentation

A prize will be awarded for the best **Poster** and best **PhD Paper** presented at the Conference.

**Submission details:**

**Abstract details:** All submission types require an abstract in the first instance. The Abstract should be a minimum of 300 and no more than 500 words including up to five keywords and keyphrases to be received by **2 December 2011**. Please read the online guidelines at <http://academic-conferences.org/icel/icel2012/icel12-submission-guidelines.htm>

**Submission:** Submissions should be made via the online form: <http://academic-conferences.org/icel/icel2012/icel12-abstract-submission.htm>  
Please ensure that you complete all relevant sections of the form, including the conference track the abstract is intended for, the proposed title for the paper, the full names (first name and surname, not initials) and email addresses of all authors and a postal address and telephone number for at least one contact author. Please indicate clearly if the contact author is not the lead author and select the correct conference stream.

**Full paper:** Only required for academic submissions to main conference streams or mini tracks once the abstract has been selected and not to be more than 5,000 words including abstract, keywords and references (the Harvard referencing rules need to be followed). Submission date will be no later than **20 January 2012**. Please read the [style guidelines document](#). Papers should be submitted as .doc or .rtf file attachments by email to the conference manager, Carol Sheasby, at [Carol.sheasby@academic-conferences.org](mailto:Carol.sheasby@academic-conferences.org)

**Important information:**

- The selection panel of the conference committee will consider all paper abstracts received by the submission deadline to ensure that the proposed paper is relevant to the Conference.
- The authors of abstracts that describe a relevant paper will receive a notification of abstract selection.
- All submissions for demonstrations will be reviewed by the conference organisers to ensure that the proposed demonstration is likely to be of interest to the conference participants.
- All full papers will be double-blind reviewed by members of the conference committee to ensure an adequate standard, that the proposed subject of their abstract has been followed, that the paper is of a suitable length, the standard of English is adequate and the paper is appropriately referenced. We do offer [proof-reading services](#).
- For authors whose first language is not English we request that you have your work proof read prior to submission by a native English speaker (or at least a fluent English speaker). Papers can be rejected due to a poor standard of English.
- Papers that are accepted will be published in the conference proceedings providing at least one author registers and presents the work at the Conference (see the registration section of the conference website for more information about registration).
- Due to the large number of papers expected for this conference, the committee prefers that an author presents only one paper. However, if multiple papers are accepted for presentation, each paper requires a separate registration fee
